MEMORANDUM FOR MR. HILLENBRAND

Am I correct in believing that we have now reached agreement in Bonn on all hitherto unagreed points in our contingency planning?

LJM

Livingston T. Merchant

6/3/59

From what I have been able to put together from cables and my rather incomplete file on the subject, this would appear to be the case for ground access, subject, however, to approval of government. However, contingency planning in certain aspects of air access remains to be completed. This is now under study in Bonn.
